DIRECTOR'S NOTE

We're thrilled to continue celebrating our 40th Anniversary Season with **THE COUNTER** — a play that feels unmistakably "TWH." It embodies all the qualities our audiences have cherished over the past four decades: It's intimate, authentic, and beautifully human. And there's just enough surprise to keep you leaning in.

This season is also a joyful gathering of old friends and familiar faces. We're welcoming back Tim DeKay, whose unforgettable work in **FEVER DREAMS** still resonates with so many of us, and the remarkable Erika Rolfsrud, who brought such depth and humanity to **GOOD PEOPLE** and other TWH productions. We're equally delighted to introduce a new face to our stage: Justis Bolding, making her TWH debut and bringing a fresh, vibrant energy to our stage. There's so much to look forward to as we continue this milestone season.
